

AMMONITRIX IS BACK IN

5X5

5X5 NIGHT

What is Ammonitrix?

Ammonitrix is the world's first-ever cyber security platform. Using 6 core services, it keeps you, your family, your school, and your business completely safe and secure online.

AntiVirus

VPN

Deep Packet
Inspection

Administrative
Utilities

Constant
tracking

MDM

What is 5X5 Night?

5X5 Night is a West Michigan pitch competition for startup businesses that awards \$5,000 to the best presented idea. Out of all of the ideas that are submitted, only 5 go on to present at the 5X5 Night event. The voting is done on 5x5night.com, and anyone with a Facebook account can vote!

More About Ammonitrix

Ammonitrix is a West Michigan startup company proudly located in Fremont, Michigan! We have worked on Ammonitrix for over 3 years, and we're excited to begin BETA testing in January of 2017!

How to Vote 😊
